

**Remarks**

Early favorable consideration is respectfully requested.

The present Amendment amends claim 34. After entry of the Amendment, claims 1-34 will be pending. The specification has been amended to provide the subheadings recommended by the United States Patent and Trademark Office. No new matter has been added by these amendments.

A check is enclosed to cover the additional claims filing fee. Please charge any additional fees or credit any overpayments as a result of the filing of this paper to our Deposit Account No. 02-3978 -- a duplicate of this paper is enclosed for that purpose.

Applicants submit that the claims are in condition for allowance and respectfully request a notice to the effect. If the Examiner believes that a telephone conference will advance prosecution of this application, such a conference is highly encouraged at the convenience of the Examiner.

Respectfully submitted,  
**NORMAN MILLS, et al.**
